

## Introduction to the principles of the Reggio Emilia approach

Deepen your teaching practice and connect with educators who are interested in and inspired by the Reggio Emilia philosophy of education. During this series of three intensive workshops, you will be introduced to core principles of the Reggio Emilia approach, and work with a group of peers to explore the possibilities for applying these principles and philosophy in your own classroom and context. While workshops are tailored toward teachers, parents and interested individuals are welcome.

### Topics covered during each intensive workshop will be as follows:

#### Module 1

- Image of the child
- 100 languages of children
- Listening
- Participation and relationships

#### Module 2

- Individual and group learning
- Educational research
- Educational documentation
- Intro to progettazione

#### Module 3

- Progettazione continued
- Organisation
- Environment, spaces and relations
- Professional development
- Assessment
